

Event/Project/Research Application

Please complete the following budget template with costs that you want APIRG to fund up to \$2000. Please rank these costs *according to their priority*. This way, if we are only able to offer you partial funding, we know which costs to prioritize.

Please be as specific as possible! Include actual quotes if you can. Feel free to expand the table to include more than 5 items, as needed.

For example:

Item to be funded: Lunch for participants (\$8 per person x est. 20 people x 2 sessions)
Amount requested: \$320

Item to be funded: 4 hours of live closed captioning by AI Media Inc
Amount requested: \$800
